## RC Trader Mobile menu explained

The RC Trader website is based on what is known as responsive design. In general, this means that the page will adjust differently from one screen size to another or one device type to another.

So, on a normal large screen, the front page of the site will look like this:

On a mobile device less than 800pixel wide it will convert to a mobile device menu system.

# Registration/Login

The screenshot displays the RC Trader website interface. At the top, there is a navigation bar with a 'MENU' icon, a home button, a search icon, a 'SELL' button, and a user profile icon. Below this, the 'Region' is set to 'Australia'. The main header features the 'RC TRADER' logo and a featured product banner for 'FT SKY Taranis X9D Plus Transmitter'. A 'Categories' section lists: 'New items (135)', 'Used Items (823)', 'Wanted (176)', 'Services (2)', and 'Club Info (7)'. A search bar is present with the placeholder text 'Search Keywords...'. Below the search bar, a section titled 'RC Trader - FREE RC Classifieds!' describes the site as 'Australia's largest dedicated Radio Control classified listings & trading site.' It includes instructions to 'register' and 'login' to contact sellers. Three buttons are visible: 'SUBMIT A LISTING', 'HELP', and 'HOW IT WORKS'. On the left side, there are three vertical menu items: 'World Hobbies' with a drone image, 'WINGSLAND' with a propeller image, and 'Programmable Power Supply' with a power supply unit image. On the right side, there are two vertical banners: 'TAKE FLIGHT MAAA JOIN THE MAAA NOW' and 'Citibank Online Saver 3.05% p.a. Variable rate for the first 4 months\* Learn more'.

The main differences between the two are:

- The mobile navigation menus
- The one column format

The three lines on the left side of the menu will display the normal menu system:

The screenshot shows the registration and login page of the RC Trader website. At the top, there is a navigation bar with a 'MENU' icon, a home button, a search icon, a 'SELL' button, and a user profile icon. Below the navigation bar, a central menu lists several options: 'Register' (highlighted in red), 'Sell', 'Search', 'Stores', 'About', 'Contact Us', and 'Help'. Below the menu, there is a search bar with the text 'Search Keywords...' and a search icon. The main content area features a section titled 'RC Trader - FREE RC Classifieds!' with the text: 'Australia's largest dedicated Radio Control classified listings & trading site. To view the listings from a specific category, select one of the categories below. To contact the sellers, first [register](#), then [login](#).' Below this text are three buttons: 'SUBMIT A LISTING' (red), 'HELP' (grey), and 'HOW IT WORKS' (grey). The right sidebar contains two promotional banners: 'TAKE FLIGHT MAAA JOIN THE MAAA NOW' and 'Citibank Online Saver 3.05% p.a. Variable rate for the first 4 months\*'. The URL at the bottom left is 'www.rctrader.com/register.php'.

Clicking on the "head icon" on the right will present the user menu options:

The screenshot displays the user interface of the rctrader.com website. At the top, there is a navigation bar with a 'MENU' icon, a home button, a search icon, and a 'SELL' button. Below this, the user is greeted with 'Welcome, Admin' and 'My Account' options. The 'my active listings' menu item is highlighted in red. Other menu items include 'my expired listings', 'my messages', 'my favorites', 'my listing filters', 'my account settings', 'sharing', 'print signs and flyers', and 'Logout'. A 'Current Live Users: 165' indicator is also present. The left sidebar features logos for 'PHOENIX MODEL' and 'World Hobbies', along with images of model aircraft and parts. The right sidebar contains a 'TAKE FLIGHT' banner for 'MAAA' and a 'JOIN THE MAAA NOW' button. The main content area shows a carousel of product listings, including 'Jr XG14 DMSS Tx MODE 1', 'Cleaning out my hanger', 'BRAND NEW GOBLIN 500 CARB...', 'MOTROFLY 4330-298KV Brush...', and '5.8Ghz 4 Port Diversity R...'. The bottom of the page shows the website URL 'www.rctrader.com/index.php?a=4&b=1' and a 'JS' script tag.

When in the "my account" area where you manage your account and listings, you also have areas that open up for ease of access:
