How to create a listing

Before you can create a listing, you will need to be registered. If you have not already registered, please [register here](#).

Step 1 - Login:

Log in and click the "Sell" button in the main menu. (you can also access a new listing from "[My Account](#)" page and clicking on "[New classified](#)" in the menu).

The screenshot shows the RC Trader website interface. At the top, the user is logged in as Henryk. The main navigation includes Home, Sell, Search, Stores, About, and Help. The 'My Account' section is active, showing 'My Active Listings' and a search bar. A hand cursor points to the 'New Listing' button in the 'Add Items' section. Below this, there is a table of active listings:

video camera package - GoPro & ReplayXD (3767)	Sold Pending?	Forwards: 0 Replies: 0 Views: 498 Favorited: 0

Step 2 - Select categories:

You will now go through the process of selecting the categories you want your listing to be placed in. Continue selecting sub-categories until you have reached the category your listing will be placed in (until no further options are available). (Please note, some categories incur a charge. For further information on pricing, please view the [pricing page](#)).

Listings

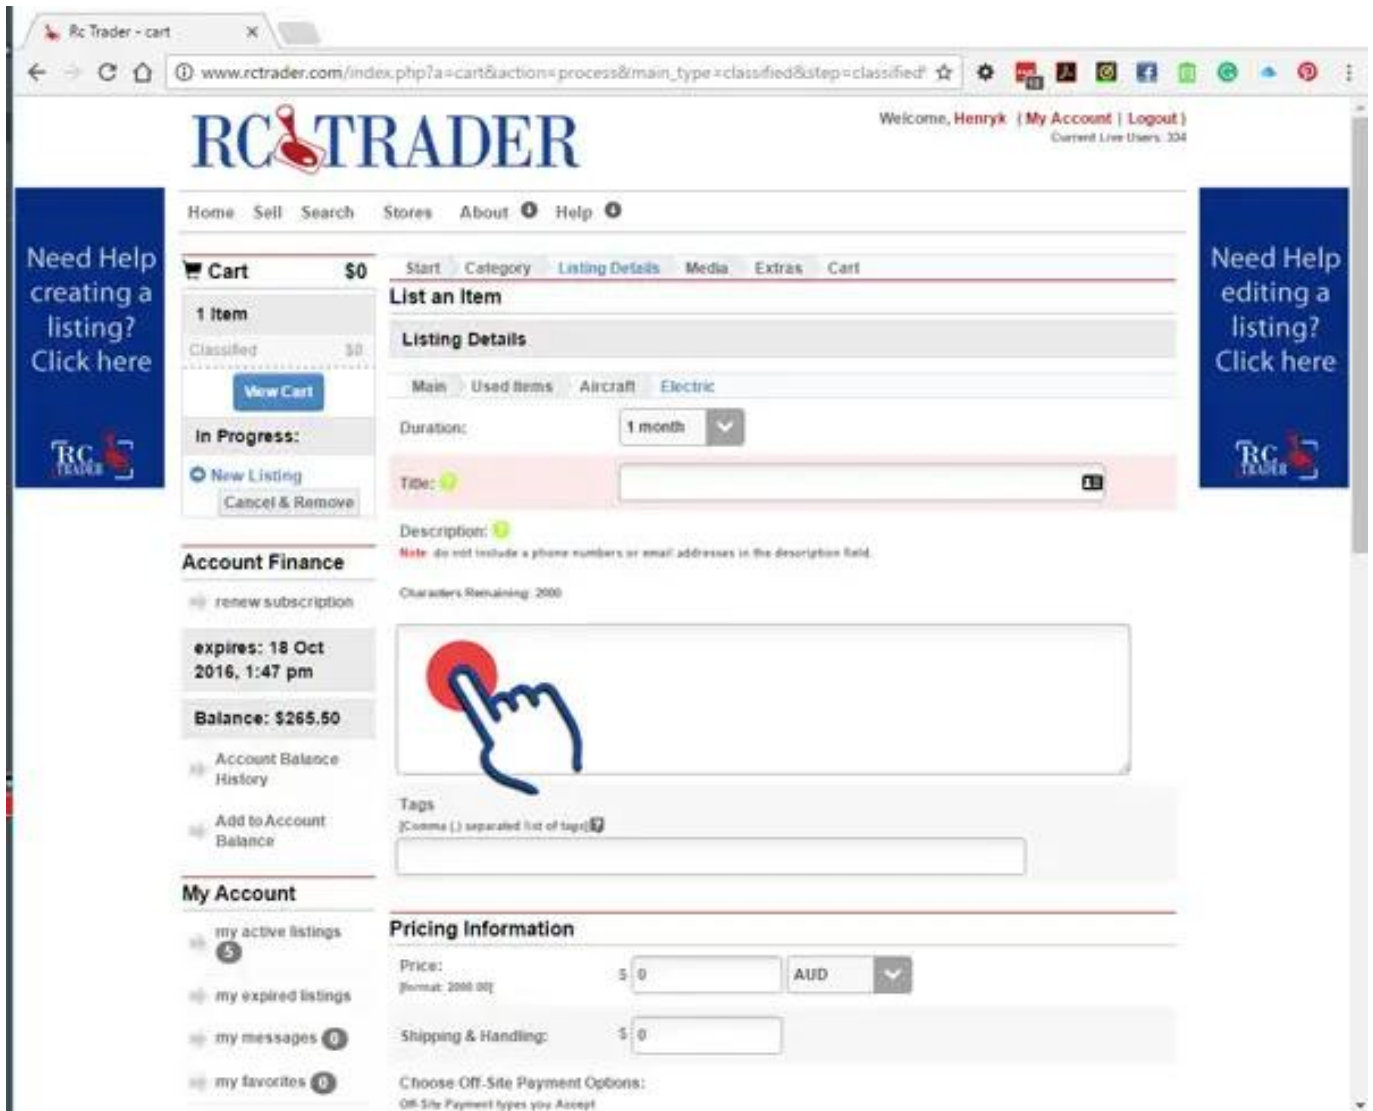

The screenshot shows the RC Trader website interface. At the top, the URL is www.rctrader.com/index.php?a=cart&action=new&main_type=classified. The page features a navigation menu with links for Home, Sell, Search, Stores, About, and Help. A user is logged in as Henryk, with a 'Logout' link and 'Current Live Users: 200' displayed. The main content area is titled 'List an Item' and includes a 'Choose a Category' dropdown menu. Below this, there is a detailed instruction: 'Please choose the main category that your listing will appear in. Click on the category name and continue to select the next sub category if it exists. Please Note: in the "Used" categories, listings cannot be referred to, in part or whole, as "New". This Site allows for FREE classified advertising in the "Used & Wanted" categories. Users wishing to use the term "new" (or any derivative of e.g. "as new", "NIB", "almost new", with reference to the condition of part or all of their listing will need to place their listing in the "New" category. You can use the term "unused" instead if it is relevant.' A hand cursor icon is pointing to the 'New item' link. Other links include 'Used Items', 'Wanted Services', and 'Club Info'. A red button labeled 'Cancel / Remove from Cart' is visible. The left sidebar contains a 'Cart' summary showing 1 item for \$0 and an 'In Progress' section with 'New Listing' and 'Cancel & Remove' options. The 'Account Finance' section shows a balance of \$265.50 and an expiration date of 18 Oct 2016, 1:47 pm. The 'My Account' section lists active listings (5), expired listings, messages (0), and favorites (0). Blue banners on the left and right sides offer help for creating and editing listings.

Step 3 - Listing details:

Next you are now presented with the listing information page. Please fill in all of the fields as best you can. Some fields of information will have an impact in other areas that may not seem immediately obvious. e.g. the currency field.

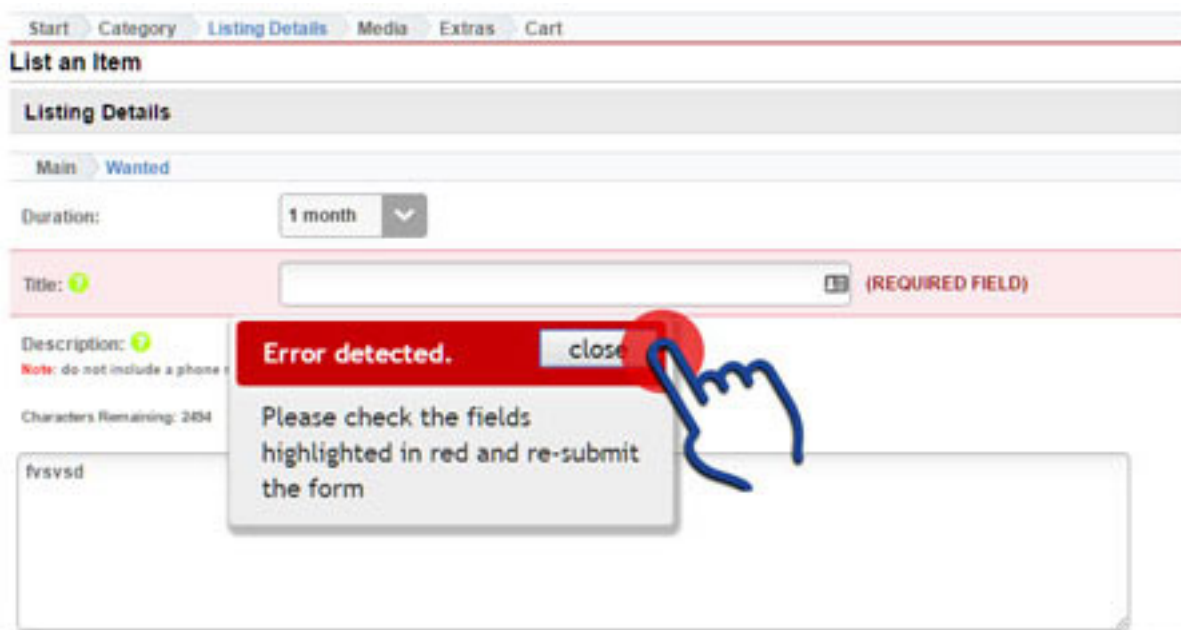

DO NOT include your email address or your phone number in the description field. This increases the risk of your information being abused. This information is presented to registered users in the specified fields. (Note: only registered users will see your contact information).

Listings

When you have completed the form, select the "next step>>" button at the bottom of the page.

If you are presented with an error message and the listing information page again, check that there are no required fields that you may have missed. **They will be highlighted in red.**

Step 4 - Upload images:

Here you will be presented with the opportunity to add your images. You can add up to four images for free (extra images at a cost - For further information on pricing, please view the [pricing page](#)).

Click the "select files" button that will open a browse window. Select the image file(s) you want to upload (maximum file upload size is 10MB [10485760bytes])

The allowed image upload types are JPEG (jpg), GIFF (gif), BMP (bmp), PNG (png) or TIFF (tif).

Once you have selected your images, click the "open" button and your images will start uploading automatically.

Note - if you continue before your images are fully uploaded they will not appear correctly. Please note that depending on your image size and your internet connection speed, this may take up to a few minutes.

The screenshot shows the RC Trader website interface. At the top, there's a navigation bar with 'Home', 'Sell', 'Search', 'Stores', 'About', and 'Help'. Below that, a 'Cart' section shows '\$0' and '1 Item'. The main content area is titled 'List an Item' and features a 'Photo Uploads' section. A hand cursor points to the 'Image Upload' section, which includes instructions on how to upload images. Below the instructions, there's a 'Using 0 of 10 Images' section with a 'Select Files' button and four image slots. At the bottom, there's a 'Youtube Video Upload' section with an 'Add Video' button and an 'Empty' status.

When you have uploaded all your images, press the "Continue" button at the bottom of the page.

NOTE Image File Uploads: Maximum file upload size is 10MB (10485760bytes). Only file types with the following extensions are supported: gif, jpeg, jpe, jpg, bmp, png. The system resizes all images to a maximum of 800pixels on the longer side, so resizing your images before uploading will make for faster upload times.

Step 5 - Listing extras:

Here you are shown any additional extra features available for your listing. The associated prices are displayed. Click "Next Step" to continue.

If you have a storefront subscription, this is where you will allocate your storefront category to your listing. This is separate from the original listing category.

Your order is complete.

Please note:

Each and every new or edited listing is checked by an admin to make sure it conforms with the site rules. This can take anywhere up to 24hrs depending when you submit your listing in the cycle. Generally, it will take much less time, but due to the labour intensive nature of the administration, we are unable to guarantee anything less than 24hrs.

You will receive an email when your listing is approved.
