

# Listings

## Free Club event listings

If you have a club event that you would like the users of RC Trader to know about, just place a listing in the "**Club Events**" category. **It's Free.**

Make sure you put in all the details or include:

- a link to a page on your club's website with more information.
- an image or your logo
- include the event starting date in the field provided.

Listing lasts one month.

Please note: this is for non-commercial club use only. No commercial event or erroneous sponsor information is allowed.

For more information on creating listings, [click here](#).
