How do Sellers register to use the eScrow system?

For a seller to use the eScrow system, the following steps must be followed:

*This takes roughly 10 minutes. You'll need your contact details and bank details handy to complete the process.

- **Step 1** - Navigate to "My Account" within the RCTrader.com website

- **Step 2** - Navigate to "eScrow System" Dashboard

My Account

➔ Active listings 0

➔ Escrow System Dashboard

➔ Expired listings

➔ my messages 0

➔ my favorites 0

➔ my listing filters 0

➔ my current bids 0

- **Step 3** - Click on "Selling"

Online Purchase Requests

You can manage all of your purchase requests with sellers and buyers below. Sent requests are to a buyer, and received requests are from a seller.

- **Step 4** - Click on Setup Account

 -

 Resend code

- **Step 8** - Input the 6 digit code into the Stripe verification fields on the page. This will cause the page to reload to ask you what type of entity you wish to register. Most users will register as a "sole trader" however some commercial vendors may wish to use "company". If you aren't sure which type you are then please contact cs@rctrader.com for help.

Safety & Security

Step 10 - Enter information regarding the type of business you wish to carry out. This is a redundant step for most as most users are sole traders however, Stripe requires this to be answered. For our testing accounts we chose to use Retail -> Other Merchandise and RCTrader.com as the website. You are welcome to do the same.
